At United Way campaign events or meetings, tell participants to follow our social media accounts. Like and share our posts on social media so we can help more people learn about our community’s needs and how we can all chip in to help make it better place.

We often post about the work and impact of United Way on our social media. Sharing these posts helps spread the word and inform campaign participants about what their contributions are going towards.

TAG US on social media when posting about United Way campaigns so we can help share all the good you’re doing.

While we can’t share all the amazing things every company does, we keep an eye out for great events, ideas, and other content that we can include in our posts. Make sure you share photos and videos with your United Way representative and tag United Way in your posts.

✓ Did a couple of your team members go above and beyond? Give them a shoutout.

✓ Take a quick video of your company leaders saying thank you to employees!
