Impact Circle and Leadership Circle donors share a commitment to helping people move from surviving to thriving. Their dedication and generosity create long-lasting and systemic change for our neighbors and our community while building the foundation for a better future for all.

# united way impact circle & leadership circle

United Way connects people to possibility. 14% of households across Greater Houston are living on incomes below the federal poverty threshold, and another 31% of households are working hard but can't afford the basic necessities of life. And that's not okay. We unite donors, volunteers, and community partners to help our neighbors land on their feet—and stay there. And you can join us!
