

designation guidelines:

Designations to individual agencies are included in the total amount each agency receives from United Way. This investment is determined through United Way's Single Investment Process. If total designations exceed the annual investment, the agency receives the greater amount.

You decide how to strengthen the lives of families in Greater Houston by partnering with United Way. One family may have a single need to help them get on track. Another family may have several different challenges holding them back. Directing your gift to where it is needed most serves both.
