

united way LINC

lead. impact. network. change.

United Way LINC is a group of dynamic leaders 30 and younger who impact our community by giving their time and talent to United Way of Greater Houston.

LINC

United Way connects people to possibility.

14% of households across Greater Houston are living on incomes below the federal poverty threshold, and another 31% of households are working hard but can't afford the basic necessities of life. And that's not okay. We unite donors, volunteers, and community partners to help our neighbors land on their feet—and stay there. **And you can join us!**
