

going without

getting ahead

Helping our neighbors meet their basic needs so they can build a foundation for independence.

Moving forward in life is hard when your basic needs aren't met. United Way provides necessities—like food, housing and transportation—so those in need can move from surviving to thriving.

If you or someone you know needs help, call 211.

You make this work possible.
Consider giving today at unitedwayhouston.org/donate.

connecting people to possibility
