Independent Auditors' Report

To the Board of Trustees of
United Way of Greater Houston:

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of United Way of Greater Houston (United Way), which comprise the statements of financial position as of March 31, 2023 and 2022, and the related statements of activities, of functional expenses, and of cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of United Way as of March 31, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our audit of the financial statements as of and for the year ended March 31, 2023 was also performed in accordance with the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of United Way and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the

override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Way's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Way's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information included in the schedule of expenditures of federal awards for the year ended March 31, 2023 as required by Title 2 U. S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and in the schedule of expenditures of state awards for the year ended March 31, 2023 as required by the *Texas Grant Management Standards* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Report Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 7, 2023 on our consideration of United Way's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of United Way's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering United Way's internal control over financial reporting and compliance.

United Way of Greater Houston

Notes to Financial Statements for the years ended March 31, 2023 and 2022

NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Organization – United Way of Greater Houston (United Way), a Texas non-profit corporation, was created in 1922 and its mission is to work together to improve lives, build a stronger community, and create meaningful opportunities for people to prosper. United Way’s strategic vision is that we will unite people and partners to ensure our neighbors struggling to make ends meet, land on their feet, and stay there. United Way’s work and investments are focused on helping those who are struggling achieve financial stability and support them in reaching their goals.

United Way strives to lead in the social services sector to create solutions, advocate for increasing financial security and household income, connect individuals to an integrated network of support, engage donors and other stakeholders to assist in this work, and unite the community to the vision that thriving individuals and families create a strong and thriving region.

United Way’s work is focused on financial stability services, coupled with early childhood and youth development programs and health care programs. Everyone has different goals, different needs, and different strengths. Helping families not only land on their feet but stay there requires a tailored approach and support at every stop. That is why United Way’s strategy includes navigators to coach families as they create their unique pathway, a technology platform to streamline coordination and access to services, and support with the basics that allows people to focus on the future.

United Way services touched over 2 million lives in the community in 2023. United Way connects people with services through the 2-1-1 Texas/United Way HELPLINE, the Community Resource Center, and Area Centers that house nonprofit organizations in order to bring services closer to where people live. Additionally, the United Way Nonprofit Connection is a key resource for building Houston’s social service nonprofit capacity.

In April 2022, United Way launched its Second Century Vision, the strategic plan that will guide its work and provide for a more equitable investment strategy, one that intentionally lifts Black Indigenous People of Color (BIPOC), who have been historically marginalized, and brings new and different partners into the fold as United Way steps into its second century of service. The vision for this second century of service is to unite people and partners to ensure neighbors struggling to make ends meet, land on their feet, and stay there. United Way will do this by leading, serving, influencing, and convening the nonprofit social services sector to deliver quality services to better represent, serve, and celebrate its diverse community, through its new client-centered service delivery model, the Integrated Client Journey.

United Way’s annual fundraising efforts include workplace campaigns, individual leadership giving programs, corporate giving, foundation grants and special efforts to respond to emerging issues such as disaster recovery. United Way will also begin a new multi-year fundraising campaign, the Building Possibilities campaign, to scale and accelerate programs that improve and advance one’s journey to financial stability.

Federal income tax status – United Way is exempt from federal income tax under §501(c)(3) of the Internal Revenue Code (the Code) and is classified as a public charity under §509(a)(1) and §170(b)(1)(A)(vi).

Cash equivalents include highly liquid financial instruments with original maturities of three months or less. The certificate of deposit included with cash equivalents is a non-negotiable, timed bank deposit reported at face value plus accrued interest.

Government contracts and other receivables represent United Way's right to consideration that is conditioned only on the passage of time for performance obligations already satisfied. An allowance for accounts receivable is established by recognizing bad debt expense when changed circumstances indicate the transaction price may no longer be collected in full. Accounts are written off after collection efforts have been exhausted and an account is deemed uncollectible.

Short-term investments include money market mutual funds restricted for Hurricane Harvey relief efforts.

Contributions receivable that are expected to be collected within one year are reported at net realizable value. Amounts expected to be collected in future years are discounted to estimate the present value of future cash flows. Discounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of discounts is included in contribution revenue. An allowance for uncollectible receivables is provided when it is believed balances may not be collected in full. The adequacy of the allowance at the end of each period is determined using a combination of historical loss experience and donor-by-donor analysis of balances.

Investments are reported at fair value. Net investment return consists of interest and dividends, realized and unrealized gains and losses, net of external and direct internal investment expenses.

Lease elections – United Way made the following accounting policy elections for reporting leases:

- *Short-term leases* – United Way has elected to not apply the new guidance to leases with terms of 12 months or less. Instead, these leases are recognized as expense on a straight-line basis over the lease term.
- *Discount rates* – United Way elected to use a risk-free rate for a period comparable with that of the lease term as the discount rate, if the implicit rate of a lease is not readily available.
- *Portfolio approach* – United Way elected to use the portfolio approach for leases with similar characteristics with the expectation that the application of the portfolio model will not differ materially from the application to the individual leases in that portfolio.
- *Lease and non-lease components* – United Way elected the practical expedient to choose whether to separate non-lease components from lease components by class of underlying assets or account for them as a single lease component. United Way elected not to separate lease and non-lease components.
- *Relief package* – For leases that commenced before the effective date, United Way did not reassess 1) whether any expired or existing contracts contain lease, 2) the lease classification for any expired or existing leases, and 3) initial indirect costs for any existing leases.
- *Hindsight* – United Way made the practical expedient election to use hindsight in determining the lease term and in assessment impairments of United Way's right-of-use assets.

Right-of-use assets – operating leases are recognized at the present value of the lease payments at inception of the lease. Lease expense is recognized on a straight-line basis as rent expense in the statement of activities.

Property and equipment are reported at cost if purchased or at fair value at the date of gift if donated. Depreciation is calculated using the straight-line method over estimated useful lives of 2 to 40 years. United Way capitalizes additions and improvements that have a tangible future economic life and a cost of more than \$2,500.

Net asset classification – Net assets, revenue, gains, and losses are classified based on the existence or absence of donor-imposed restrictions, as follows:

- *Net assets without donor restrictions* are not subject to donor-imposed restrictions even though their use may be limited in other respects such as by contract or board designation.
- *Net assets with donor restrictions* are subject to donor-imposed restrictions. Restrictions may be temporary in nature, such as those that will be met by the passage of time or use for a purpose specified by the donor, or may be perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Net assets are released from restrictions when the stipulated time has elapsed, or purpose has been fulfilled, or both.

Contributions are recognized as revenue at fair value when an unconditional commitment is received from the donor. Contributions received with donor stipulations that limit their use are classified as *with donor restrictions*. Conditional contributions and government grants are subject to one or more barriers that must be overcome before United Way is entitled to receive or retain funding. Conditional contributions and government grants are recognized in the same manner when the conditions have been met. Funding received before conditions are met is reported as refundable advances.

Donated materials, use of facilities and services – Donated materials, use of facilities, and services are recognized at fair value as contributions when an unconditional commitment is received from the donor. The related expense is recognized as the item is used. Contributions of services are recognized when services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. A substantial number of volunteers have contributed significant amounts of time in connection with programs, administration, and fundraising for which no amount has been recorded in the financial statements because the services did not meet the criteria for recognition under generally accepted accounting principles.

Fees and program revenue are derived primarily from government contracts for the 2-1-1 HELPLINE program, facility usage fees, and workshop and training programs. Revenue is recognized when the services are provided in an amount that reflects the consideration that United Way expects to be entitled to in exchange for those services. The nature of these services does not give rise to contract costs, refunds, warranties or other related obligations.

Government contract income – United Way has agreements with organizations to provide 2-1-1 Texas information and referral services. Revenue is recognized over time as performance obligations are met using the input method based on the labor hours expended and third-party costs incurred. Payment is due upon submission of reimbursement to the organizations.

Facility usage fees – United Way offers space for private events, conferences and meetings. Reservation deposits for future private events and programs are due upon execution of a contract with the remaining balance due prior to the event. Deposits are applicable to future fees, but may be refunded at the discretion of United Way if a contract is cancelled. Revenue is recognized at a point in time when the meeting occurs or the service is provided.

Workshop and training fees – United Way offers workshops and training classes through its financial stability, childcare and other programs. Revenue from workshops and training classes is recognized at a point in time when the workshop or class occurs, and the performance obligation is met.

At March 31, 2023, 2022, and 2021, accounts receivable for government contract income were \$15,718, \$14,118, and \$463,696, respectively. United Way has no contract assets or liabilities at March 31, 2023, 2022, or 2021.

Community investments in program services include grants made that are recognized at estimated fair value when United Way approves an unconditional commitment to a recipient. Conditional grants are recognized in the same manner when the conditions are met by the recipient. Unconditional commitments made by United Way but not yet paid are reflected in the statement of financial position as amounts committed to community program services. At March 31, 2023, these commitments are due to be paid within one year. At March 31, 2023, United Way has approximately \$33 million in conditional grant commitments.

Advertising costs are expensed as incurred.

Functional allocation of expenses – Expenses are reported by their functional classification. Program services are the direct conduct or supervision of activities that fulfill the purposes for which the organization exists. Fundraising activities include the solicitation of contributions of money, securities, materials, facilities, other assets, and time. Management and general activities are not directly identifiable with specific program or fundraising activities. Expenses that are attributable to more than one activity are allocated among the activities benefitted. Salaries and related costs are allocated on the basis of estimated time and effort expended. Depreciation and facility management costs are allocated based on square footage. Information technology costs are allocated based on the number of computer units utilized by each department. Advertising costs are allocated based on management estimates of costs utilized by each department.

Estimates – Management must make estimates and assumptions to prepare financial statements in accordance with generally accepted accounting principles. These estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, the amounts reported as revenue and expenses, and the allocation of expenses among various functions. Actual results could vary from the estimates that were used.

NOTE 2 – ADOPTION OF NEW ACCOUNTING STANDARD

United Way adopted Accounting Standards Update (ASU) 2016-02, *Leases (Topic 842)*. Under this ASU, a lessee should recognize in the statement of financial position a lease liability and a lease asset representing its right to use the underlying asset for the term of the lease for both finance and operating leases. The ASU also required expanded disclosures related to the amount, timing and uncertainty of cash flows arising from leases. United Way adopted the new standard effective April 1, 2022, using the modified retrospective method. Therefore, comparative information for fiscal year 2022 has not been restated and continues to be reported under Accounting Standards Codification (ASC) 840. Adoption of this ASU had no impact on total beginning net assets at April 1, 2022.

NOTE 3 – LIQUIDITY AND AVAILABILITY OF RESOURCES

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use within one year of March 31 comprise the following:

	<u>2023</u>	<u>2022</u>
Financial assets:		
Cash and cash equivalents	\$ 13,476,194	\$ 10,076,001
Government contracts and other receivables	43,859	28,602
Short-term investments restricted for Hurricane Relief		119,085
Contributions receivable, net	25,535,021	28,027,576
Investments	<u>17,186,748</u>	<u>22,589,830</u>
Total financial assets	56,241,822	60,841,094
Less financial assets not available for general expenditure:		
Board-designated operating reserve	(10,776,667)	(10,555,000)
Board-designated disaster response reserve	(500,000)	(500,000)
Board-designated capital maintenance reserve	(313,013)	(313,013)
Amounts donor-designated for other campaigns	(1,296,623)	(901,981)
Restricted by donors for program initiatives and other	<u>(2,240,079)</u>	<u>(369,100)</u>
Total financial assets available for general expenditure	<u>\$ 41,115,440</u>	<u>\$ 48,202,000</u>

As part of its liquidity management, United Way has a policy to manage its cash and investments to be available as its general expenditures, liabilities, and other obligations become due. In addition, United Way's Board of Trustees (the Board) has designated assets for other purposes, as described in Note 9. These board-designated funds are invested in liquid investments, and while they are not intended to be spent for purposes other than those identified, these funds could be made available for current operations at the Board's discretion.

United Way's cash flows have seasonal variations during the year attributable to campaign activities. These activities tend to generate significant cash flow during the last two quarters of United Way's fiscal year. United Way's spending pattern tends to be consistent throughout the fiscal year. To manage liquidity, United Way optimizes usage of short-term investments included in its total investment portfolio. All investments can be accessed on an immediate basis.

For purposes of analyzing resources available to meet general expenditures over a 12-month period, United Way considers all expenditures related to its investment in programs which create the opportunity for every individual and family to thrive, as well as the conduct of services undertaken to support those activities, to be general expenditures.

In the current fiscal year, United Way launched a new fundraising campaign, the Building Possibilities campaign, to scale and accelerate programs that improve and advance one's journey to financial stability.

NOTE 4 – CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of the following:

	<u>2023</u>	<u>2022</u>
Money market mutual funds	\$ 13,366,953	\$ 10,023,347
Demand deposits	56,429	
Certificate of deposit	<u>52,812</u>	<u>52,654</u>
Total cash and cash equivalents	<u>\$ 13,476,194</u>	<u>\$ 10,076,001</u>

United Way maintains an overnight sweep of excess cash in a money market mutual fund that trades on the public market and is not federally insured.

NOTE 5 – CONTRIBUTIONS RECEIVABLE

Contributions receivable consist of the following:

	<u>2023</u>	<u>2022</u>
Annual campaigns	\$ 25,759,443	\$ 30,525,666
Building Possibilities campaign	3,875,505	1,000,000
Texas Health and Human Services Commission	<u>492,985</u>	<u>463,191</u>
Total contributions receivable	30,127,933	31,988,857
Allowance for uncollectible contributions receivable	(4,273,438)	(3,961,281)
Discount to net present value at 3.45%-4.60%	<u>(319,474)</u>	<u> </u>
Contributions receivable, net	<u>\$ 25,535,021</u>	<u>\$ 28,027,576</u>

Contributions receivable at March 31, 2023 are expected to be collected as follows:

2024	\$ 28,604,932
2025	1,353,001
2026	160,000
2027	<u>10,000</u>
Total contributions receivable	<u>\$ 30,127,933</u>

At March 31, 2023, United Way has \$1,100,000 in conditional contributions from two donors. These commitments are conditioned upon meeting certain goals. The contributions will be recognized as contribution revenue when the conditions are met.

NOTE 6 – INVESTMENTS AND FAIR VALUE MEASUREMENTS

Generally accepted accounting principles require that certain assets and liabilities be reported at fair value and establish a hierarchy that prioritizes inputs used to measure fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The three levels of the fair value hierarchy are as follows:

- *Level 1* – Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the reporting date.
- *Level 2* – Inputs are other than quoted prices included in Level 1, which are either directly observable or can be derived from or corroborated by observable market data at the reporting date.
- *Level 3* – Inputs are not observable and are based on the reporting entity’s assumptions about the inputs market participants would use in pricing the asset or liability.

Assets measured at fair value at March 31, 2023 are as follows:

	<u>LEVEL 1</u>	<u>LEVEL 2</u>	<u>LEVEL 3</u>	<u>TOTAL</u>
Investments:				
Equity mutual funds:				
Large-cap	\$ 7,407,284			\$ 7,407,284
International	4,380,576			4,380,576
Real estate	833,601			833,601
Small-cap	598,480			598,480
Fixed-income mutual funds:				
Short and intermediate bond	2,535,653			2,535,653
International aggregate index	<u>1,431,154</u>			<u>1,431,154</u>
Total investments	17,186,748			17,186,748
Money market mutual funds held as cash equivalents	<u>13,366,953</u>			<u>13,366,953</u>
Total assets measured at fair value	<u>\$ 30,553,701</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 30,553,701</u>

Assets measured at fair value at March 31, 2022 are as follows:

	<u>LEVEL 1</u>	<u>LEVEL 2</u>	<u>LEVEL 3</u>	<u>TOTAL</u>
Investments:				
Equity mutual funds:				
Large-cap	\$ 8,691,841			\$ 8,691,841
International	4,594,167			4,594,167
Real estate	1,113,818			1,113,818
Small-cap	706,545			706,545
Fixed-income mutual funds:				
Short and intermediate bond	5,814,742			5,814,742
International aggregate index	1,668,717			1,668,717
Money market mutual funds	<u>119,085</u>			<u>119,085</u>
Total investments	22,708,915			22,708,915
Money market mutual funds held as cash equivalents	<u>10,023,347</u>			<u>10,023,347</u>
Total assets measured at fair value	<u>\$ 32,732,262</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 32,732,262</u>

Mutual funds are valued at the published net asset value of shares held. This valuation method may produce a fair value that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while United Way believes its valuation method is appropriate, the use of different methods or assumptions could result in a different fair value measurement at the reporting date.

Investments are exposed to various risks such as interest rate, market and credit risks. Because of these risks, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position and statement of activities.

NOTE 7 – RIGHT-OF-USE ASSETS AND LEASES

United Way leases certain office space and equipment at community centers located in the Bay Area of Harris County and in Waller County, as well as office equipment used in its operations that are classified as operating leases. Payments due under these lease contracts are fixed. The components of lease cost for the year ended March 31, 2023 were:

Operating lease cost – rent expense	\$ 743,438
Sublease income	(318,619)
Short-term lease costs	<u>121,511</u>
Total lease costs	<u>\$ 546,330</u>

Cash paid for amounts included in the measurement of lease liabilities:

Operating cash flows from operating lease	\$730,977
---	-----------

Reconciliation of the undiscounted cash flows related to operating leases to the discounted amount reported in the statement of financial position as of March 31, 2023 were:

2024	\$ 739,704
2025	748,430
2026	738,133
2027	132,400
Thereafter	<u>478,886</u>
Total minimum lease payments	2,837,553
Less effects of discounting	<u>(160,251)</u>
Total lease liabilities recognized	<u>\$ 2,677,302</u>

As of March 31, 2023, the weighted-average remaining lease term for the operating leases is 5.1 years. The weighted-average discount rate associated with the operating lease as of March 31, 2023 is 2.16%.

Operating lease payments for the year ended March, 31 2022 were approximately \$775,000. United Way subleased office space with rental income totaling approximately \$312,000 in 2022.

NOTE 8 – PROPERTY AND EQUIPMENT

Property and equipment consists of the following:

	<u>2023</u>	<u>2022</u>
Land	\$ 6,840,220	\$ 6,840,220
Buildings and improvements	31,302,504	31,232,296
Furniture, fixtures, and equipment	9,811,592	9,192,402
Vehicles	<u>35,434</u>	<u>35,434</u>
Total property and equipment, at cost	47,989,750	47,300,352
Accumulated depreciation	<u>(19,668,164)</u>	<u>(18,314,100)</u>
Property and equipment, net	<u>\$ 28,321,586</u>	<u>\$ 28,986,252</u>

NOTE 9 – NET ASSETS WITHOUT DONOR RESTRICTIONS

Net assets without donor restrictions are comprised of the following:

	<u>2023</u>	<u>2022</u>
Undesignated	\$ 28,924,648	\$ 32,515,110
Designated by the Board:		
Operating reserve	10,776,667	10,555,000
Community impact and response	1,209,030	1,212,530
Disaster response	500,000	500,000
Capital maintenance	<u>313,013</u>	<u>313,013</u>
Total net assets without donor restrictions	<u>\$ 41,723,358</u>	<u>\$ 45,095,653</u>

The Board has designated net assets without donor restrictions as follows:

- *Operating reserve* – This reserve is to provide for operations and community investments in the event of an unforeseen event or severe economic downturn. The reserve is to be approximately three months of operating expenses and two months of community investments in program services and is adjusted annually.
- *Community impact and response* – This reserve is for the discretion of the Community Impact Committee to use for immediate response to emerging needs and extend presence throughout United Way’s four county service area.
- *Disaster response* – This reserve is to enable United Way to respond quickly to the community in the aftermath of a disaster before any fundraising efforts commence. Funds raised for the Hurricane Harvey Relief Fund are included in net assets with donor restrictions.
- *Capital maintenance* – This reserve is for planned and unanticipated building construction, repairs and maintenance, and for purchases of capital equipment. Additions to the reserve are approved by the Board in conjunction with the annual operating budget.

Use of board-designated reserves must be approved by the Board.

NOTE 10 – NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are restricted as follows:

	<u>2023</u>	<u>2022</u>
Subject to expenditure for specified purpose:		
Building Possibilities campaign	\$ 3,395,793	\$ 1,250,000
Out of School Time	1,045,452	401,273
Education Initiative	585,022	518,561
Montgomery County	482,538	373,100
Utility assistance	252,336	
Sponsorships to support future events	213,944	214,174
Emerging Leaders Institute	200,000	
United Way THRIVE	175,366	74,960
Disaster response – Hurricane Relief	90,251	929,011
Rapel for a Reason	52,001	
Disaster response – Winter Storm Relief	30,000	90,662
Disaster response – disaster recovery	13,512	13,512
Second Century Vison – strategic planning	10,000	229,000
United Way Bright Beginnings		234,020
Disaster response – COVID-19 Recovery		109,750
Other	<u>34,279</u>	<u>46,127</u>
Total net assets with donor restrictions	<u>\$ 6,580,494</u>	<u>\$ 4,484,150</u>

NOTE 11 – ANNUAL CAMPAIGN

The annual fundraising campaign is conducted to raise support to invest in community program services and strategic initiatives. Each year by the end of March, United Way reports to the public the total estimated annual campaign funds raised. Actual results may differ from estimated amounts publicly reported due to timing differences on multi-year pledges and receipts for future campaigns, among other things. The fiscal year 2023 and 2022 commitments to programs and agencies are based on the results of the fall and winter 2022 and 2021 campaigns, and are reflected as community investment expense in the statement of activities for the years ended March 31, 2023 and 2022, respectively. Amounts received in 2023 for donor-designated gifts to other campaigns total approximately \$672,000. Amounts received in 2022 for donor-designated gifts to other campaigns total approximately \$600,000.

Contributions designated by donors to be paid to specific United Way Agencies (Agencies) of approximately \$2.2 million are included in unrestricted revenue and community investment expense at March 31, 2023 and 2022. United Way maintains a policy of “first dollars in” with respect to designation to Agencies. If total designations to an Agency are less than the total committed investment, the Agency receives only the approved commitment. If total designations exceed the commitment, the Agency receives the greater amount. Any amount designated by donors to Agencies in excess of the approved commitments is excluded from United Way’s revenue and expenses.

NOTE 12 – GOVERNMENT GRANTS

Government grants recognized are as follows:

	<u>2023</u>	<u>2022</u>
Federal government grants:		
U. S. Department of Health and Human Services	\$ 935,311	\$ 579,163
U. S. Department of Agriculture	<u>632,508</u>	<u>366,849</u>
Total federal government grants	<u>1,567,819</u>	<u>946,012</u>
State government grants – Texas Health and Human Services Commission	<u>1,399,749</u>	<u>811,864</u>
Total government grants	<u>\$ 2,967,568</u>	<u>\$ 1,757,876</u>

Government grant contracts are recognized as contributions that are derived from cost-reimbursable federal and other government contracts, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when United Way has incurred expenditures in compliance with specific contract provisions. United Way received cost-reimbursable grants of approximately \$1.1 million that have not been recognized at March 31, 2023 because qualifying expenditures have not yet been incurred or the contracts stipulate these qualifying expenditures have not been approved by the government audit compliance officials as reimbursable amounts.

Grants from federal and state government funding sources require fulfillment of certain conditions as set forth in the related contracts and are subject to review and audit by the awarding agencies. Such reviews and audits could result in the discovery of unallowable activities and unallowable costs. Consequently, any of the funding sources may, at their discretion, request reimbursement for expenses or return of funds as a result of non-compliance by United Way with the terms of the contracts. Management believes such disallowances, if any, would not be material to United Way's financial position or changes in net assets.

NOTE 13 – EMPLOYEE BENEFIT PLANS

401(k) savings and investment plan – United Way adopted a savings and investment plan (the Plan) in accordance with §401(k) of the Code, effective January 1, 1998. Each qualified employee of United Way is eligible to participate in the Plan on the first day of the month following the completion of at least one hour of service. Participants may contribute, with certain limitations, a percentage of their compensation, as defined in the Plan, on a tax-deferred basis. Participants are immediately vested in their tax-deferred contributions plus actual earnings thereon. United Way may, at its sole discretion, make a contribution not to exceed 100% of the first 6% of compensation contributed by the participants. In addition, United Way may, at its sole discretion, elect to make additional discretionary contributions. Participants become 50% vested in United Way's matching contribution after two years of service and fully vested after three years of service.

In 2023, United Way's contribution was approximately \$904,000, which included a matching contribution of \$612,000 and a discretionary contribution of \$292,000. In 2022, United Way's contribution was approximately \$885,000, which included a matching contribution of \$604,000 and a discretionary contribution of \$281,000.

Health plan – United Way obtains health and welfare benefits for employees as a single employer, in accordance with §501(c)(9) of the Code. United Way provides group health, life, short-term and long-term disability, and dental insurance programs for employees working in excess of 30 hours per week. Costs are shared by the employer and employee depending upon the benefits selected by the employee. Welfare benefit plan contributions expensed by United Way for the years ended March 31, 2023 and 2022 were approximately \$1,372,000 and \$1,521,000, respectively.

NOTE 14 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 7, 2023, which is the date that the financial statements were available for issuance. As a result of this evaluation, no events were identified that are required to be disclosed or would have a material impact on reported net assets or changes in net assets.

United Way of Greater Houston

Schedule of Expenditures of Federal Awards for the year ended March 31, 2023

United Way of Greater Houston

Note to Schedules of Expenditures of Federal and State Awards for the year ended March 31, 2023

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation – The schedules of expenditures of federal and state awards are prepared on the accrual basis of accounting. The information in these schedules is presented in accordance with the requirements of Title 2 U. S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the State of Texas *Grant Management Standards*. Federal and state expenditures include allowable costs funded by federal and state grants. Allowable costs are subject to the cost principles of the Uniform Guidance and the *Texas Grant Management Standards*, and include costs that are recognized as expenses in United Way's financial statements in conformity with generally accepted accounting principles. United Way has not elected to use the 10% de minimus cost rate for indirect costs. United Way does not have any subrecipients.

Because the schedules present only a selected portion of the operations of United Way, they are not intended to and do not present the financial position, changes in net assets, or cash flows of United Way.

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*

To the Board of Trustees of
United Way of Greater Houston:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of United Way of Greater Houston (United Way), which comprise the statement of financial position as of March 31, 2023 and the related statements of activities, of functional expenses, and of cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 7, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered United Way's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of United Way's internal control. Accordingly, we do not express an opinion on the effectiveness of United Way's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether United Way's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for Each Major Federal and Major State Program and Report on Internal Control Over Compliance Required by the Uniform Guidance and the *Texas Grant Management Standards*

To the Board of Trustees of
United Way of Greater Houston:

Report on Compliance for Each Major Federal and Major State Program

Opinion on Each Major Federal and Major State Program

We have audited United Way of Greater Houston's (United Way) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* and in the *Texas Grant Management Standards* that could have a direct and material effect on each of United Way's major federal and major state programs for the year ended March 31, 2023. United Way's major federal and major state programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, United Way complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal and major state programs for the year ended March 31, 2023.

Basis for Opinion on Each Major Federal and Major State Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and in the *Texas Grant Management Standards*. Our responsibilities under those standards, the Uniform Guidance and the *Texas Grant Management Standards* are further described in the *Auditors' Responsibilities for the Audit of Compliance* section of our report.

We are required to be independent of United Way and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal and major state program. Our audit does not provide a legal determination of United Way's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to United Way's federal and state programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on United Way's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance and the *Texas Grant Management Standards* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about United Way's compliance with the requirements of each major federal and major state program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance and the *Texas Grant Management Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding United Way's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of United Way's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and the *Texas Grant Management Standards*, but not for the purpose of expressing an opinion on the effectiveness of United Way's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal and state program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal and state program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal and state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the *Auditors' Responsibilities for the Audit of Compliance* section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not

identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and the *Texas Grant Management Standards*. Accordingly, this report is not suitable for any other purpose.
