

CONTINENTS AND OCEANS OF THE WORLD

Instructions & Conversation Sheet

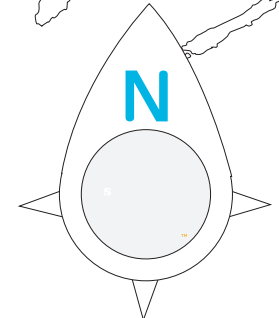

Ask students what they know about maps. Here are some good questions to ask:

- What state do we live in?
- What city do we live in?
- What continent do we live on?
- Can you find the state we live in on this map?
- Can you find the continent we live on?
- Review the continents and the oceans on the map. (answers included)
- If you could go anywhere on this map, where would you go?"
