Live Q&A Investment Process Application Support: Technical Assistance (TA) Webinars

United Way of Greater Houston (UWGH) invites all eligible nonprofit social service organizations applying for three-year funding to attend our Technical Assistance Webinar (TA call). During the call, you will have the opportunity to ask any questions you may have. After the call, questions will be added to the Question Log (FAQ) to ensure overall clarity. The TA calls are not required and only serve to support the agencies during the application phase. There will be 4, one-hour calls that will take place over the next two months leading up to when applications are due on April 18th.
