

Alexis de Tocqueville Society

Alexis de Tocqueville Society members are some of Greater Houston's most generous and influential business and community leaders. Each year, our Alexis de Tocqueville Society members donate \$10,000 or more to help our community thrive and to achieve their philanthropic vision.

These generous donors support United Way's work to support financial stability and connect people to possibility. We unite donors, volunteers, community partners, and a network of more than 100 nonprofit organizations to help our neighbors land on their feet—and stay there.

your gift of \$10,000 can:

provide a year of quality early childhood education for a child, helping ensure they are on track and ready to succeed when they enter kindergarten

provide critical mental health services for 11 individuals, helping ensure their stability and productivity

prepare 30 people to start and succeed in new jobs that will help support their families

When you become an Alexis de Tocqueville Society member, you join an elite group of leaders from across the Greater Houston region. Your membership includes:

- Exclusive events and access just for Alexis de Tocqueville Society members
- Special opportunities to network and volunteer

Last year, Greater Houston's most dedicated philanthropists came together to contribute \$15.2 million to shape the future of our region through United Way. Here is a look at the impact Alexis de Tocqueville Society members made last year:

united way of greater houston helped:

more than 2 million people connect with services that improved their lives

219,372 individuals with basic needs assistance

252,029 individuals with physical and behavioral health care

91,083 families gain financial stability

the gifts of the alexis de tocqueville society alone are responsible for:

545,089 of those

59,466 of those

68,493 of those

24,668 of those
