

# needing support

The path to financial stability is rarely linear and can be difficult to travel alone. United Way of Greater Houston connects people to possibility through programs like financial coaching, health care assistance, and out-of-school care, individualized to meet their unique needs.

**Together, we're helping our neighbors land on their feet—and stay there.**

# finding community

You make this work possible.  
Consider giving today at [unitedwayhouston.org/donate](https://unitedwayhouston.org/donate).

**If you or someone you know needs help, call 211.**
