UNITED WAY Greater Houston | ALEXIS DE TOCQUEVILLE SOCIETY

Alexis de Tocqueville Society members are some of Greater Houston's most generous and influential business and community leaders. Each year, our Alexis de Tocqueville Society members donate $10,000 or more to help our community thrive and to achieve their philanthropic vision. These generous donors support United Way's work to help our neighbors achieve and maintain financial stability.

YOUR GIFT OF $10,000 CAN:

Provide more than a year of high-quality early childhood education for a child, helping ensure they are on track and ready to succeed when they enter kindergarten

Provide 67 sessions of critical mental health counseling for our neighbors working to improve their lives

Provide 400 workforce development sessions that prepare our neighbors to succeed in new jobs
